

DIAMOND RINGS FOR WOMEN

These rings are not only novel and attractive, but in keeping with the modern trend of fashion. They are beautifully made and specially designed to fit the finger comfortably.

The rings paved with the smaller diamonds are the most exquisite. Settings of this kind greatly enhance the larger diamonds.

We can remount your diamonds in settings like shown for small outlay. Write us for further information.

STONE RINGS FOR MEN AND WOMEN

For men the very heavy massive rings are most appropriate, but we find that many women also like the heavy mannish designs.

Crest and coat-of-arms may be cut in most of these stones at a moderate charge. Estimates will be furnished upon request.

All rings are well made and set with genuine stones except those mentioned as synthetic or mascot, which is a good imitation quality.

We particularly call attention to the rings which are ornamented with platinum. These are the newest and very fashionable.

HANDY PINS FOR MANY USES

Handy pins are very appropriate little gifts, because they can be used for many purposes. They are often used to fasten on cuffs and also as sleeve ornaments; for babies they are indispensable. In selecting something for an infant you will be choosing wisely in a pin or button set. There is no question but what the assortment on this page is large and varied enough to help you in your decision.

The decorated patterns are very effective, and much used for children, while the pierced designs with platinum fronts, particularly those with stones, are much admired by women.

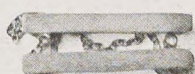

Prices quoted are for the pair. Single pins furnished at the same rate. Bar pins to match many of these handy pins are illustrated on pages 22 and 23.

SHOULDER PINS IN MODERN STYLES

The circle or oval pin, better known as the shoulder pin, is much in demand by fashionable women. Because of this popularity, we have an elegant assortment of shoulder pins as shown on this page. The designs are beautiful, new, and some very novel.

Some of the pins are made of solid gold, some with platinum ornamentation, the pierced designs predominating. The stones add especially to their attractiveness.

The small charms shown at the top of the page, made of gold and silver, are very appropriate as gifts, souvenirs, or prizes. The assortment is interesting and offers a charm for almost every purpose.

Earrings still retain their popularity, and the assortment illustrated includes the most desirable styles. The earrings are made for unpierced ears, although a few like Nos. 2227 and 2228 are ear studs for pierced ears, and are so quoted. Prices quoted are for the pair.

Bracelets are made to open with joint and catch while the bangles do not open, but are large enough to slide over the hand.

The diamonds from your old jewels can be remounted into fashionable and attractive jewelry for reasonable cost. Beautiful results can be accomplished. A few examples of our work are illustrated below. Our designers and craftsmen are experts. Send your old jewels to us and we will cheerfully submit drawings with estimates without any obligation whatever.

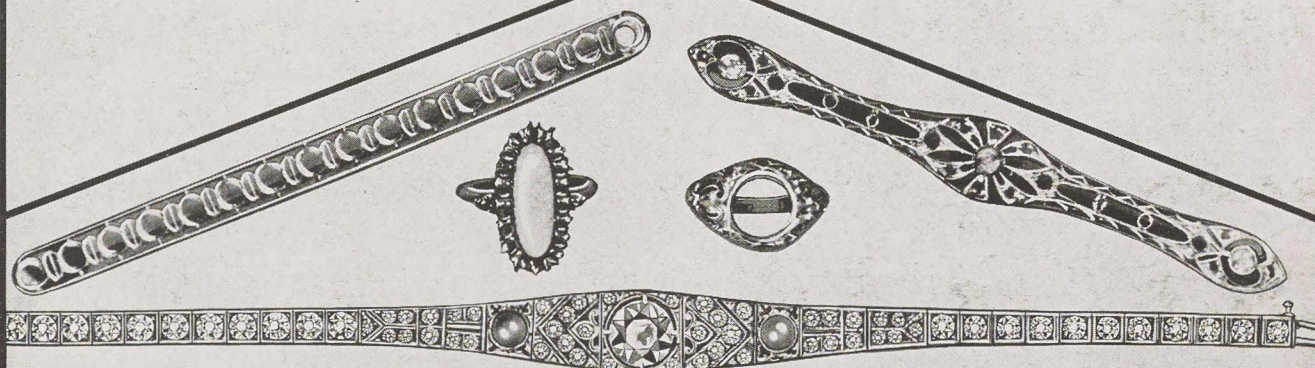

AN EXQUISITE RING

This shows a platinum ring of modern style having been made up with the diamonds from the old settings. The design is original.

A FASHIONABLE SOLITAIRE

The plain gold solitaire is no longer admired by fashionable women. This illustration shows an attractive platinum ring set with the diamonds from the old jewelry.

AN ATTRACTIVE FLEXIBLE BRACELET

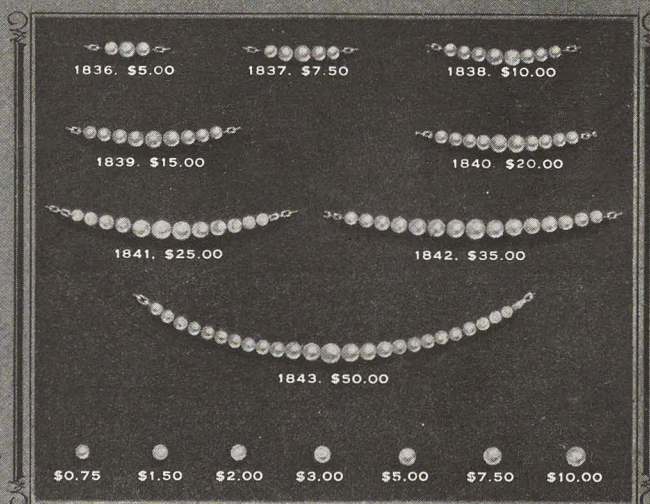

This illustration does scant justice to this bracelet. It is handsomely made of platinum with the gems that were removed from the old jewelry. The cost was surprisingly moderate.

"Pearls for additions are attached to the dainty gift card shown above. Single pearls cost from 75 cents to \$25.00 and upwards"

RICHELIEU PEARL NECKLACES

Here we have very fashionable Richelieu necklaces.

The choker lengths as well as the two and three strand necklaces predominate today.

The quality is high-grade, guaranteed not to peel, break, or discolor, with a beautiful sheen that gives them the appearance of genuine pearls. Necklace No. 4272 does not have a clasp, it is long enough to slip over the head.

You will note that there is a difference of \$5.00 in the prices of 60-inch and 72-inch necklaces. This is because the 72-inch necklaces are strung with knots between the beads requiring the same number of pearls as the 60-inch necklaces without knots.

A few of these necklaces can be had in four strands. Prices upon request. Illustrations are actual size.

RICHELIEU PEARL NECKLACES AND CLASPS

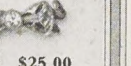

Richelieu pearls are well known for their quality and guaranteed not to peel, break or discolor. They are not even affected by water or perspiration; in fact, these pearls are indestructible. In appearance they are much like the genuine Oriental pearls, having the same soft creamy sheen.

Should you admire a different clasp than the one which we quote with necklace, we will be glad to make full allowance for the clasp that is not used.

GOLD NOVELTIES FOR MEN

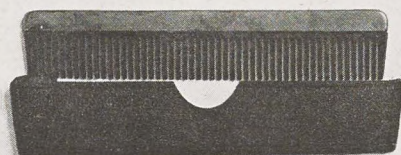

It is often perplexing to think of an appropriate gift for a man who "has everything." These suggestions will be acceptable in such a situation. Novelty like the bill clips (3902 and 3), the gold case Yale keys (3897 and 3899; the filing of the key blanks included without extra charge) are now in favor.

We especially recommend the Sasieni briar pipe (3896). This pipe is equipped with an inside aluminum extension

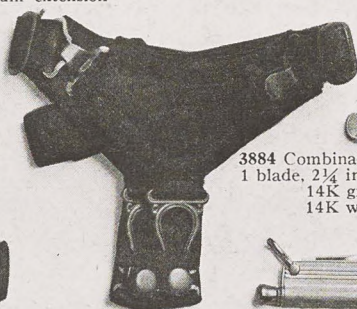

which prevents clogging of the stem and also obviates the flow of saliva from reaching the bowl of the pipe. It provides the enjoyment of a real dry smoke.

All of the articles on this page are well made of solid gold, practical for their particular purposes and attractively finished in beautifully engine turned designs.

WATCH CHAINS FOR MEN

Almost every man has use for a watch chain, and with such a splendid variety as illustrated on this page, selection should be easy.

The Waldemar chain undoubtedly is the most popular because it expresses the style of the day.

It is worn straight across the vest from pocket to pocket. It is fitted with a swivel on one end for fastening the watch, and spring ring on the other end to which is attached a pocket piece.

Waldemar chains are 15 inches long, except No. 2389, which is 12½ inches.

Tuxedo chains, No. 2393 to 2398, measure about 12½ inches long.

Dickens chains, No. 2399 to 2404, commonly called double chains, have a bar and toggle for charm in the center; this may however be moved up to the end of the chain so that it can be worn as a Waldemar.

Vest chains, No. 2399 to 2404, are single chains worn from pocket to center of vest with bar and toggle at the end.

Suitable novelties to be worn with these chains are illustrated on page 61. A section of each chain is shown in actual size.

MEN'S GOLD-FILLED CHAINS

This page illustrates an excellent assortment of waldemar, sport, coat and belt chains. In appearance they are similar to the more expensive solid gold chains. They are well made of good gold-filled quality in designs to meet every taste.

The waldemar chain is one of the most desirable styles because of its usefulness. This chain is worn from pocket to pocket. All chains are full length, although only a short section is shown.

The belt chain is very practical. The leather belt is slipped through the loop as shown and the watch is attached to the other end and worn in the trousers pocket. The sports chain is worn similarly; the large ring, as shown, grips hold of the belt loop on trousers.

NOVELTIES FOR MEN AND WOMEN

Made of a good gold-filled quality, beautifully finished, so that they compare very favorably with the more expensive solid gold articles.

The illustrations of powder boxes, match boxes, comb, nail file and cigarette cases are reduced in size, while the other illustrations are actual size.

GOLD PENCILS, POCKET KNIVES AND CIGAR CUTTERS

Of the many gifts that you can give a man, there are perhaps few that he will appreciate better than a small gold pencil or a gold pocket knife, particularly the styles illustrated here. All are suitable to be attached to the end of the watch chain.

The cigar cutters are practical, constructed without springs or other mechanism to get out of order.

The small pencils are often carried by ladies in their shopping bag and sometimes worn on a black cord.

Pocket knives are fitted with good steel blades. The cases, as you will note, are beautifully decorated.

Waldemar chains to be used with some of these articles are illustrated on page 56.
